

Caregiver Policy

INFORMATION

The *Forest Edge Community Pool* is committed to providing a safe environment for participants involved with our organization. We recognize that from time to time member children may wish to attend the pool with caregivers who are non-members; or that members may wish to attend the pool with children who are not themselves members. In conjunction with the supervision policy, this policy outlines expectations as related to babysitters and/or caregiving.

POLICY Children under the age of 10 must be accompanied by an adult or caregiver 16 years of age or older. For the purpose of this policy, a child is considered to be 10 years of age if they celebrate their 10th birthday by the end of the calendar year in question. For example, a child born in 2004 is considered to be “10 years old” for the 2014 swimming season, regardless of the actual day of their birthday.

Current members who babysit non-member children must adhere to applicable visitor fees for these children.

Non-members, who are providing care to member children, may enjoy the pool at no cost as long as they are responsible for the supervision of the member child(ren) at the time. If the non-member caregiver has other children or siblings in their care while using the pool, all rules that are set for “visitors” with regards to fees and frequency of pool visits apply to these additional children.

Where interpretation of this policy conflicts with the *Swimmer Supervision Policy*, the *Swimmer Supervision Policy* applies.

ADDITIONAL INFORMATION

If you have any questions on the Caregiver Policy please contact a member of the Board through the pool’s e-mail address, swim@forestedgepool.ca.
